OVERSEA TRADE

SOUTH AUSTRALIA

APRIL 1961

This bulletin shows direct trade between overseas countries and South Australia. Interstate trade and overseas trade via other States have not been included. The figures are preliminary and are subject to revision.

Because of the wide variety of imports, they have in many cases been grouped under headings indicative of main items in the group e.g. Apparel and Attire; this makes it impracticable to publish a table of quantities, as there is often no appropriate single unit of quantity. For similar reasons the first table excludes quantities of a number of export items.

Values: The value of exports is expressed £A f.o.b. or its equivalent at port of shipment; the value of imports is "transaction value" £A f.o.b. or "domestic value". £A f.o.b. at port of shipment whichever is the higher.
